**Taste is a matter of
tobacco quality**

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality (and hence of better taste) than in any other cigarette at the price.

"They Satisfy"

NEWS FROM CALIF.

Huntington Beach, Cal.
Oct. 6th.

Dear editor:

Will you let a Tennessee boy have space for a few lines?

Times are dull here now, most everybody is out on a strike and very little work is going on in the northern fields.

Marion Gentry is Chief of police here and he is sure giving quite a lot of the boys a place to sleep free of charge.

Jack Pharris and Byrd Daws say there is no place in Tennessee like this one, because you don't have to work here unless you want to.

W. B. Ledford, Carlos Gentry and W. B. Lee were in an automobile accident here Oct. 5th, which proved fatal to Lee and perhaps to Ledford. Lee was killed instantly and Ledford is not expected to recover. Gentry escaped with minor injuries. Lee's remains will be laid to rest at Mountain View cemetery Fresno, Cal., on Oct. 8th.

There are numbers of people leaving here every day for different parts of the world, some of whom we may never see again on earth, but hope to meet them in a better and brighter world after while. We should always be prepared for we know not the hour we may pass out.

The writer intends to farm a little for himself next year; too

SELF RELIANCE GOES BANKRUPT

Thin Blood Saps Energy

**Gude's Pepto-Mangan
Rebuilds the Blood.**

Wrestling with a weakened condition of the blood is a desperate struggle. Thin watery blood deprives the body of energy and and causes a playedout feeling not unlike utter exhaustion. A man with weak blood has not the full use of his powers. He likes decision, and vacillates until he loses self-confidence.

Some men, and women too, go faltering along for months scarcely realizing that they need Gude's Pepto-Mangan, the blood-builder. But when they have taken it for a while, what a difference there is in the feelings! The old-time vigor and the red-blooded hue of good health return. The new rich blood gets to work, building, fortyfying, lifting the spirit up to its normal standard. Physicians have prescribed Gude's Pepto-Mangan for years as a blood-builder. Druggist sell it in liquid and tablet form. Look for the name "Gude's Pepto-Mangan" on the package.—Advertisement.

good places in Tennessee for a man to spend a lifetime out here.

Well, dear friends, sometime when you are gathered around the altar, don't forget to remember the Tennessee boys who are far away from home. May the Lord bless you all is my prayer.

The standard tire likes nothing better than to prove its service

PEOPLE used to be secretly envious of the young fellow who came tearing up the street and stopped his car with a jerk.

Now they are inclined to criticize such abuse of tires. A mark of the growing consciousness about tires—their service, their work, their value.

This same respect for a good tire is the reason why the four-square tire dealer has passed up odds and ends, "job lots", "seconds", "cut prices"—and come out squarely with the standard quality service of U. S. Tires.

He is getting a bigger, and also better, tire business than he ever had before.

He is dealing now with his own kind

of people. The substantial citizen. The man who knows that you can't get something for nothing. The steady customer—not the bargain hunter.

To the man who has not yet learned the standard tire service he is entitled to we say—

Go to the dealer in U. S. Tires and make him show you.

Here is a man in close touch with one of the 92 U. S. Factory Branches—a constant supply of fresh, live U. S. Tires.

The U. S. Tire you buy is a tire built for current demands. No overproduction. No piling up of stock. No loss of mileage by hanging around on the dealer's racks.

Every way you look at it, a par quality tire at a net price.

THE U. S. USCO TREAD

Here is the U. S. Usco Tread, with a long-established standard of service among motorists who have an eye to value, as well as to price. While selling for less than the other tires in the U. S. Fabric line, the Usco has earned a reputation for quality and dependable economy which is not exceeded by any tire in its class.
